GEMINI

FLOOR SEALER FINISH

TDWE47-1-1100

DESCRIPTION: -

GEMINI is a new generation state-of-the-art blended floor sealer finish that dries to a brilliant clear gloss.

GEMINI gives wet look burnishing results at 1000 R.P.M. or greater pad speed with any power source: electric, battery or propane engine. When applied in accordance with label directions, GEMINI provides the perfect blend of durability and hardness for traffic marks resistance, black heel marking, scuffing, slip resistance and wet look reparability.

PHYSICAL PROPERTIES	
Appearance	Opaque white Liquid
Odour	Acrylic polymer
pH	8.5 - 9.5
Specific Gravity	1.032 ± 0.005
Percentage Volatiles	76.5 – 77.5%
Coverage	40 - 80 m ² / litre (Typical)

DIRECTIONS FOR USE: -

The floor surface should be initially prepared by stripping clean any traces of wax or old polish using LAZER PLUS Stripper ensuring thorough removal of all slurry.

Apply 2 or 3 coats of GEMINI using a clean lambswool applicator, cotton string mop or fringe mop, allowing sufficient drying time between coats.

To retain a clean gloss floor, provide daily maintenance using an approved system incorporating Peerless Products and Equipment.
