DESCRIPTION: -

VERSADET is a highly concentrated cleaner specifically designed for cleaning of polished floors, and may be used for cleaning of any hard surface that is not adversely effected by water. VERSADET is a patented Positive Emulsion cleaner with unique properties that emulsify greasy soils and hold them in suspension without redepositing over other areas of the floor or surface being cleaned. Suitable for manual or machine cleaning tasks. VERSADET is the ideal product for everyday use and maintenance of polished floors. As a chemically neutral cleaner it will not have a detrimental effect on cross-linked floor finishes.
